- Developed, maintained, and shipped production code for client websites primarily using HTML, CSS, Sass, JavaScript, and jQuery

Projects

Collaboradocs [\[Link\]](#) [\[Github\]](#) *For Storing, tracking, editing and managing documents seamlessly real-time*

Tech Stack: ReactJs, redux-toolkit, expressJs, mongoose, material-ui, tailwindcss, socket.io

- Front-end implemented using react.js with material-ui and tailwindcss with interactive design
- Back-end implementation using express.js and mongoDB and socket.io for real-time collaboration
- Rich text editor is integrated using @tip-tap/react editor

Evently [\[Github\]](#) *For Storing, tracking, editing and managing documents seamlessly real-time*

Tech Stack: ReactJs, zustand, expressJs, mongoose, material-ui, tailwindcss, socket.io, pm2

- Front-end implemented using react.js with material-ui and tailwindcss with interactive design
- Back-end implementation using express.js and mongoDB and socket.io for real-time events and notifications
- Used google locator external API for fetching user location

VetMeet [\[Github\]](#) *To connect the veterans and engage them into community services on interests (Social Media)*

Tech Stack: ReactJs, redux, expressJs, mongoose, material-ui, socket.io, twilio

- Front-end implemented using react.js with material-ui with interactive design, back-end implementation using express.js and mongoDB.
- Created website in web development hackathon (NASCON)

SmartEd [\[Github\]](#) *For instructors and students to interact, create courses/pdf-content, assignments (Classroom)*

Tech Stack: ReactJs, expressJs, mongoose, tailwindcss, daisyUI

- Front-end implemented using react.js using daisyUI and back-end implementation using express.js and mongoDB
- Created website in web development hackathon (Web-Fest)

Skills

Front-End

React.js, Next.js 14, Javascript, Typescript, Tailwindcss, Material-UI, Redux

Back-End

Node.js, Express.js, Socket.io, WebRTC

Database

MongoDB, mySQL

Education

University of the Punjab, Lahore

Bachelor of Science in Computer Science
